Dear Mike,

25X1A In regard to your letter of 29 September 1959 inquiring about the status of the  a review of our records reveal the following:

Cleared

Pending - in process

No Record

As you know, we do not have a contract with this firm as yet. Therefore, the clearances requested on most of them, with the exception of those you have submitted, were not in any particular project. As for the completion date, I suggest you advise George that it would probably take 60 to 90 days at least. I can see no reason why we should build a fire under these cases, therefore, they are being handled on a routine basis. If you have any other questions about this group, don't hesitate to let us know.
